Add-On Services (Advance Booking Required)

To make your celebrations more special and memorable, we offer the following premium add-on services. These services are available only through advance booking.

Customized Theme Decor

Transform your event space with a décor that matches your dream theme—whether it's elegant, traditional, modern, or fun-filled. Our décor team will bring your vision to life with attention to detail.

Customized Cake

Celebrate with a cake designed just for you! Choose the flavor, design, and size to match your event's theme and make your special moments even sweeter.

Fog & Special Effects

Add a magical touch to your event with fog machines, lighting effects, and other creative elements that create a grand and unforgettable atmosphere.

Photography & Videography

Capture every precious moment with professional photography and video services. From candid clicks to cinematic event coverage, we ensure your memories last forever.

Other Special Requests

We can arrange additional services like live music, DJ, or special entertainment programs upon request and advance confirmation.

All add-on services must be booked in advance and are subject to availability. Charges apply separately.
